**A STORY OF FAITH, HEALING, AND HOPE**

Addilyn was born on January 31, 2024, bringing joy and love to her family. However, when she was just 7 weeks old, their world was turned upside down. Addie was rushed to the ER, where she was diagnosed with leukemia. What followed were three rounds of chemotherapy, two rounds of immunotherapy, and a bone marrow transplant—all accompanied by numerous complications.

Through it all, Addie's courage and resilience have been remarkable. Today, she is thriving, full of life, and acts as though nothing ever happened. Her journey is a testament to the power of prayer, the skill of a dedicated medical team at U of M Children's Hospital, and the strength of faith.

When her family first learned of Addie's diagnosis, they put her on every prayer list they could find, trusting that God would hear and answer their prayers. And through the countless prayers and months of hospitalization, Addie is now cancer-free, enjoying life as a happy little girl.

"The Lord is near to the brokenhearted and saves the crushed in spirit." Psalm 34:18

Addie's story is one of unwavering faith, hope, and God's grace. Through the darkest of times, God's love has been a constant presence, offering peace and healing. Her family is forever grateful for the power of prayer, the support of loved ones, and the compassionate care she received.

"I will restore you to health and heal your wounds," declares the Lord. (Jeremiah 30:17)

Addie's recovery is a living reminder of God's promise to heal and restore. We give thanks for the healing she has received and for the miracle of her vibrant life today.

"With God all things are possible." Matthew 19:26

We are filled with joy and gratitude for Addie's victory over cancer. Her story is not just one of survival but of the steadfast love and power of God working in her life and the lives of her family. We praise God for His faithfulness and continue to pray for her continued health and happiness.

Thank you for your prayers.

**The Huron County Right to Life and Positive Alternatives Pregnancy Center** of Bad Axe are co-sponsoring a Baby Bottle Boomerang from this weekend through Father's Day. Following all weekend masses, everyone is invited to take home a baby bottle and fill it with their loose/spare change and return the bottle and its contents to church on Father's Day weekend.

Checks can be made payable to Huron Co. RTL.

This is a great way to support the pro-life efforts of your local pro-life chapter and your local pregnancy center without straining your family budget. Positive Alternatives is a Christ-Centered, Pro-life ministry working to educate women on the alternatives to abortion. The Huron Co. RTL consists of volunteers that are committed to protecting the lives of the unborn, the elderly, and everyone in between. This is the primary fundraiser for both pro-life organizations.

If you or someone you know is in a crisis pregnancy, please call 1-800-57WOMAN.

### Mother's Day Prayer

Heavenly Father,

We thank You for the gift of mothers—  
for their love, their wisdom, and their tender care.

On this Mother's Day, we ask You to  
bless all mothers:

those who are with us and those who have  
gone before us.

Grant them strength for the tasks ahead,  
peace in their hearts,  
and joy in knowing how deeply they are loved.

We entrust them to the care of Mary,  
Mother of God and our spiritual mother,  
asking that she intercede for every  
mother in every need.

May each mother be a reflection of Your love  
today and always.

Through Christ our Lord,  
Amen.
